For Parents of Our Patients

1. **Referral list**: Below is a list of orthodontists our office has a professional relationship with. You may choose anyone from this list based on your personal preferences.

2. **Getting Ready**: In preparation for your orthodontist visit, it would be very helpful to visit the website of the orthodontist you choose. In addition, you may want to visit the website of the American Association of Orthodontists at www.mylifemysmile.org.

   Prior to scheduling an appointment with the orthodontist’s office, please take the time to research things that may be of significance to you such as – office location, hours of operation, fees and insurance matters.

3. **Extraction/Oral Surgery – IN OUR OFFICE**: If the orthodontist recommends teeth extractions for orthodontic reasons, please note that most routine extractions can be performed in the comfort of our pediatric dental office utilizing nitrous oxide, local anesthesia and TLC!

4. **Extraction/Oral Surgery – Outside our office**: Some oral surgical procedures are not performed in our office and examples of those procedures are: removal of impacted primary or permanent teeth, expose and bond of un-erupted teeth and wisdom teeth removal. The preceding procedures may require the help of an oral surgeon and our office will make the referral after consulting with the orthodontist as needed.

For The Orthodontist Office

1. **Panoramic x rays**: All patients referred for orthodontic evaluation will have a digital panoramic x ray taken in our office. We always email a copy of the x ray to the parent. Please request the parent to forward you a copy via email.

2. **Extraction request**: Our office will perform the majority of routine extractions for orthodontic treatment. We request the orthodontist’s office to fax a copy of the Extraction Request to Fax number 703 991 4605 or email a scanned copy of the Extraction Request to info@banajidds.com.

3. **Orthodontic Consultation Report**: We request you to email the report to info@banajidds.com or fax a copy of the Report to Fax number 703 991 4605.
